State Dept. declassification & release instructions on file

SECRET

Dear Mr. Morell:

In Mr. Marks' absence, I want to acknowledge your June 28 memorandum to him, transmitting a copy of your Agency's intelligence memorandum on new Soviet initiatives in communications satellites and television.

The memorandum is a most interesting one, and I am circulating it to a number of our officers concerned with this problem.

With best regards.

Sincerely,

Robert W. Akers
Acting Director
